BOARD MEMBER SPOTLIGHT

Susan Jenkins

Susan moved part time to Salida in 2018 and is thrilled to be able to give back to a community that gives so much! She has volunteered and worked for a kaleidoscope of non-profits, in roles ranging from a worker bee to board leadership. She is grateful to be able to share the skills amassed doing so and her passion for community radio as a new board member. During her "off hours" Susan can be found enjoying all our community has to offer - the river, the slopes, and the music venues - alongside her spouse, Hank, her family (two and four-legged), and her friends.
