MAY 2024

# Hello May!

Let's go  
outside

It sure feels like Summer, and Salidans love being outside in this weather!

Walk, run, scoot, or bike yourself down to Riverside Park on May 25th & 26th for Bluegrass On The Arkansas!

Near the headwaters of the Arkansas River, you will find a delightful venue for your holiday weekend and an opportunity to enjoy bluegrass music, food, drink, and fun for all ages.

Check out the awesome lineup of performers who will be taking the stage!

# Here comes Summer!

School lets out the week before Memorial Day, so be on the lookout for more kids around! They are excited and energetic, but not always aware of traffic cues. Be extra careful if you see kids playing near streets, or out on bikes, and remember to chat with your own kiddos about street safety in town!

*Be Safe!* And have a great summer!
